The PSAT 8/9 is a test that will help you and your teachers figure out what you need to work on most so that you're ready for college when you graduate from high school. It tests the same skills and knowledge as the SAT, PSAT/NMSQT, and PSAT 10 — in a way that makes sense for your grade level.

### **Benefits**

The PSAT 8/9 establishes a baseline measurement of your college and career readiness as you enter high school. It also gives you a chance to preview the SAT, PSAT/NMSQT, and PSAT 10.
