

Sierra Outdoor School  
April 10-12, 2017  
Monday-Wednesday

After searching high and low for a new experience, we have settled on Sierra Outdoor School as this year's camp. This camp is close in proximity which enables us to offer a hybrid experience for our school. (It is 15-20 minutes behind Columbia College)

**Option #1:** Parents may attend with their children to experience outdoor school together; or

**Option #2:** Student(s) may attend on their own to build peer social skills and independence.
